Graduation Rates

ABHE/IPEDS Graduation Rate (First-time, Full-time, Undergraduate, 150% time): 0% (0 of 3 students in the Fall 2019 FTFT cohort completed within 150% of program time) *

Cohort based Graduation Rates: _____ % (_ / _ students in the _____ cohort completed their degree within 150% of the program time).

*It is important to note: Historically, most SCU students have been transfer or degree-completion students, so the FTFT cohort is small. See ‘Additional Student Success Rates’ below for outcomes aligned to our primary student populations.
